

Announcing Sheshunoff University, featuring comprehensive eLearning programs

Sheshunoff Information Services proudly announces the launch of Sheshunoff University™, a comprehensive and customizable online training solution for financial institutions. SheshunoffUniversity.com provides a full line of eLearning programs, webinars and other educational opportunities to keep your staff and organization efficient...and compliant.

Sheshunoff has partnered with established eLearning provider TRC Interactive, Inc. to offer banks and credit unions cutting-edge training solutions for frontline employees and managers. The interactive and engaging online skill-building programs also feature:

- Training Central®, with full management and tracking capabilities for maintaining a record of all participant and administrative activity
- Access Guides with complete step-by-step instructions on how to access the courses
- eBlend Guides featuring complete step-by-step instructions for creating blended classroom experiences
- Study Guides highlighting information for employees to use for taking notes, following along with the course, and saving as a point of reference

The courses are designed by eLearning experts and give users solid methodology and cutting-edge techniques in a range of management and compliance topics. Explore our self-paced learning programs online:
