

Sheshunoff™

In this update to Sheshunoff's *Trust Department Management Manual* you will find:

- Additional topics have been provided in Chapter 2 regarding Elder Law and Estate Planning and Taxation.
- Chapter 6 has been expanded with insights and inserts relative to Regulation R currently discussed in the chapter.
- An overview of Regulation R requirements by section of the regulation has been added to Chapter 8.

Incorporating the enclosed materials into your existing manual will ensure that it remains the definitive source on which to rely for all trust department management information.
